Special Parking Permit

The Special Parking permit costs \$240 and gives you the right to park *one* vehicle in the Special Parking Permit area on a regular basis for one year.

Note: There are only 12 spaces available. Permits are given on a first-come, first-served basis.

I need a Special Parking Permit (valid for one year only)

I am enclosing a check for \$240 with this form. I understand that I will receive my Special Parking Permit sticker, which is needed to park in the Special Parking Permit area, after the check has been received.
